

WiseMini® Desiccant Deodorizer Strip

Fin seal:

Contains natural coconut shell activated carbon and silica gel desiccant, which eliminates both odor and moisture

Desiccant Deodorizer Strips are compatible with WisePac® Automated Cutting & Dispensing Machine which eases automatic dispensing

Good breathability and anti-dust packaging material

Compliant with USP41-NF36 < 670 >

WiseMini® Desiccant Deodorizer Strip utilizes premium quality silica gel and coconut shell activated carbon which allows for a high absorption capacity for moisture and odor. Desiccant deodorizer sachets eliminate moisture and odor from the pills. WiseMini® desiccant deodorizer strip is compatible with WisePac® Automated strip desiccant dispenser to seamlessly adapt into your production line.
