

Technical Data Specification Sheet**Flash PE packed 10g Ethylene Absorber**

Product Flash PE packed 10g Ethylene Absorber

Product Code 3ESTY002A

Raw Material Ethylene Absorber

Packaging Material Flash PE

Technical Standard	Items	Standard
	Appearance	The surface of desiccant bag should not have damage or obvious discoloration, with the flat paper.
	Ethylene Absorption Capacity	≥60ml

Sachet Weight: 9.5~11.0g
Dimension Width: 60±3mm
Length: 70±3mm

Sealing Method 3 Sides Seal

Printing Wisefresh

STD Packaging — 750pcs/PE bag/pail
Pail Size: $\phi 275 \times 345$ mm, 48 pails/pallet
—Carton label contains the following:
PO Number
Product Name
Product Code
Specification
Quantity
Batch Number

Storage Shelf life: 2 years
Desiccant must always be kept in airtight containers to avoid moisture.
